1984 - 1985 CONVICTIONS

FISHERIES, WILDLIFE AND PARKS

Statistics and Evaluation
Management Services Branch
July, 1985

INTRODUCTION

The Laws, Acts and Regulations which govern our Parks, Fish and Wildlife are necessary so that future generations may enjoy the same quality and quantity of these resources in the years to come.

This report summarizes Parks, Fisheries and Wildlife convictions in Saskatchewan during a period from May 1, 1984 to April 30, 1985. Information contained in this report may be useful to personnel involved in enforcement activities, and to administrative personnel in planning and co-ordinating future enforcement policies and procedures.

SUMMARY OF SPORT FISHING UNDER THE FISHERIES ACT IN SASKATCHEWAN

Total licence sales for 1984/85 declined 5%. The largest decrease occurred in the non-resident licences at 30%. While resident licences dropped only 1%. One day licences increased 38% over that of 1983/84.

The larger number of offenses occurred in Regina and Prince Albert regions, 23% and 20%, respectively. This consisted of 43% of the total convictions.

The most common offence people were being charged under was "Angling without a licence". This offence consisted of 54% of the total convictions charges while sport fishing. The second most common offence was "Angling with more than two lines (ice fishing)". 9% of the total offences were charged under this section.

Revenue generated from the costs and fines declined 55% in 1984/85. Ninety percent of total sport fishing offences were committed by Saskatchewan residents. Also 71% of the total offences occurred in the summer season, from May 1 through to October 31st.

SUMMARY OF WILDLIFE CONVICTIONS 1984/85 UNDER THE WILDLIFE; MIGRATORY BIRD CONVENTION, EXPORT AND CRIMINAL CODE, ACT IN SASKATCHEWAN

The total number of convictions in 1984/85 increased 14% over the 1983/84 convictions. Regina and Hudson Bay regions showed the largest number of total offences, at 17% and 15%, respectively. Thirty-five persons of the offenders were from the 21 to 30 years of age group, an increase of 6% from 1983/84. The second largest group of offenders at 24%, was the 31-40 years of age. Saskatchewan residents committed 96% of the total offences.

Total fines and costs increased by 2% in 1984/85, over that of 1983/84. 48% of the total offenders paid their fines by voluntary payment.

The most frequent violation under the Wildlife Act was "Carrying a loaded firearm in a vehicle", and under the Migratory Bird Convention, "No person shall hunt game birds with a shotgun unless magazine is plugged so that the magazine cannot carry more than two shells".

Offenders in Wildlife Management Zones 56, 21 and 39 committed the largest number of total offences, 6%, 4.2% and 4.0%, respectively.
